Published: 13.09.2022.

81 Meters (81 metrs), dir. Jānis Ābele, 14', Latvia, 2022

Spring 2021. A cinephile invites you on an intimate trip through the last surviving cinema houses in Latvia. This documentary essay shot on super 8mm, opens the locked doors to the cinema houses during perhaps the most difficult time in the history of physical cinema space.

Scriptwriter Jānis Ābele

Director of Photography Toms Šķēle

Editor Madara Didrihsone

Director of Sound Ernests Ansons

Producers Dita Birkenšteina, Jānis Ābele
